

Requests and suggestions...

Maybe even something quite small that allows you to use our product.
Perhaps you would like to suggest a completely new product and entrust us with the development.
Tell us what you'd like and what it could do for you. We'll see what we can do...

I just looked over the data sheet Com-Server Highspeed 100BaselX.

Can you ...

If you accept my suggestion, I would benefit as follows:

If you would like a reply from us, please provide your name and e-mail address:

Name: (optional)
